PREPARING FOR YOUR PRESSURE SYSTEM EXAMINATION

This simple guide provides a checklist to ensure your site examination, in accordance with the pressure systems safety regulations 2000, is hassle free.

As an owner or user there are several checks you can do to ensure your pressure system examination is hassle free and you are provided with a written scheme, confirming your system is safe for continued operation by a competent person.

Check out the below in order to be examination ready...

<p>1 Do you have a copy of the previous WSE to share with the examining engineer?</p> <p>Yes <input type="checkbox"/> No <input type="checkbox"/> N/A (First WSE) <input type="checkbox"/></p>	<p>2 Is the equipment in full working order, i.e. no faults? <i>The examination includes a working inspection as part of the process</i></p> <p>Yes <input type="checkbox"/> No <input type="checkbox"/></p>
<p>3 Has the vessel been drained so an internal examination can be undertaken?</p> <p>Yes <input type="checkbox"/> No <input type="checkbox"/></p> <p><i>It is worth noting that typically a vessel needs to be internally examined every 2 years to meet the regulations, there will be some downtime during the examination. By draining the vessel, you will reduce downtime impact on the day.</i></p>	
<p>4 Does the equipment or safety devices require access equipment such as a ladder/platform, do you have this all-in hand and are Mandate Systems aware so they can brief the attending engineer?</p> <p>Yes <input type="checkbox"/> No <input type="checkbox"/></p>	<p>5 Can the examining engineer freely access the equipment, have a safe working environment free from hazards and safely remove protective devices without obstruction?</p> <p>Yes <input type="checkbox"/> No <input type="checkbox"/></p>
<p>6 Do you have any certificates of conformity for equipment and or safety devices to support the examining engineer?</p> <p>Yes <input type="checkbox"/> No <input type="checkbox"/></p>	
<p>7 Have you informed Mandate Systems of any requirements you need ahead of the visit, such as induction meeting points, attending engineer ID etc?</p> <p>Yes <input type="checkbox"/> No <input type="checkbox"/></p>
